

TABLE OF CONTENTS

7	Preface
8	CHAPTER 1
	Zero waste fashion design from history to now
10	Textile waste
11	Zero waste over time
19	Modern zero waste fashion design
39	Interview with Maja Stabel
41	Short cuts
42	CHAPTER 2
	Pattern cutting as a fashion design tool
43	Fashion design and pattern cutting
45	Creative pattern cutting
49	Interview with Winifred Aldrich
54	Interview with Rickard Lindqvist
60	Creative pattern cutters from around the world
75	Patterns in design ideation
83	Short cuts
84	CHAPTER 3
	Zero waste fashion design: The basics
87	Criteria for zero waste fashion design
88	The design ideation toolbox
90	Zero waste blocks
94	Trapeze sleeveless tunic by Holly McQuillan
106	Endurance shirt by Timo Rissanen
108	Tailored jacket by Holly McQuillan
112	Pattern setups by Holly McQuillan
120	Adapting an existing design for zero waste
123	Risky design practice
124	Designing with the fabric width
127	Short cuts

128 CHAPTER 4

Zero waste fashion design and CAD

- 129 Marker making as design activity
- 130 Advantages of digital design for zero waste fashion
- 132 Zero waste tutorials through CAD
- 137 Grading and CAD
- 141 Combining digital technologies
- 142 Zero waste and digital textile design
- 144 Interview with Julia Lumsden
- 149 Short cuts

150 CHAPTER 5

Manufacturing zero waste garments

- 153 Fashion design and fashion manufacturing
- 155 Interview with Lela Jacobs
- 158 Sizing zero waste garments
- 168 Fabric in manufacturing zero waste garments
- 172 Tara St James of Study NY
- 175 Short cuts

176 CHAPTER 6

Zero waste fashion design: Getting started

- 178 On inspiration
- 182 Interview with Kia Koski
- 189 Documenting and reflecting on design
- 192 On sharing
- 193 Conversation with Yeohlee Teng
- 198 Futures for zero waste fashion design
- 209 Short cuts
